The World Factbook Contacts

contacts:: send comments or questions?

The World Factbook staff thanks you for your comments, suggestions, updates, kudos, and corrections over the past years. The willingness of readers from around the world to share their observations and specialized knowledge is very helpful as we try to produce the best possible publications. Please feel free to continue to write and e-mail us. At least two Factbook staffers review every item. The sheer volume of correspondence precludes detailed personal replies, but we sincerely appreciate your time and interest in the Factbook. If you include your e-mail address we will at least acknowledge your note.

Thank you again.
